

Vision 2018 #3 — The Study — Study

Desire #1 — Desire the Kingdom is desire: Desire that other became children of God

- 2 Corinthians 5:11-20
 - Why should we desire for others to become children of God

How do we fulfill this desire?

- 1 Corinthians 2:1-5
 - 1 Corinthians 9:19-27
 - 1 Thessalonians 2:7-12
- What do we do to make this a reality?

Big Idea: The most important thing we can do is Study with others

- Romans 10:8-15
 - Acts 8:26-39
- Why is it so important to study with others?
 - Why is it hard to study with others?
- How do we study with others?
 - What are some ways we can study with others?
- Whom can we study with?
 - How can we get the study?

Application: What should we do?

Non-Christian: Receive the Gospel

- May you thought of someone that needs Jesus
 - You can't take anyone where you are not
- To bring them to life
 - You have to enter into the life
- What a great reason to surrender to Jesus and decide to follow Him
 - By repentance and baptism
 - Accepting Him as your Lord and Savior

Christian: Accept the task

- Decide you will do it
- Ask God to give you a study
- Think with whom you can study with
- Ask them for the study

One simple question: during this week, how can you do this?
