

Vision 2018 #4 — Reading — Study

Desire #2: To desire the Kingdom is desire: To know God deeply

- Jeremiah 9:3-6, 23-24
 - 1 John 5:20
 - Matthew 22:36-38
- Can we get to know God?
 - Why is it so important to know God?
 - What does it mean to know God?

Big Idea: The most important thing we can do is to Read His Word

Why is it important to read?

- Hebrew 4:12-13
 - 2 Timothy 3:15-17
- What is the Bible?
 - Why should we read the Word of God?
 - What does God do when we read?

How and when should we read?

- Psalm 63
 - Psalm 119:33-40 y 97-104 y 105-112
- How should we read the bible?
 - When should we read the bible?

What do we do with what we read?

- James 1:22-25
 - Deuteronomy 8:1-6
 - Ezdra 7:10
- What do we need to do when we read the word?
 - How would it help us to ask ourselves the questions: What does it say? and What do we do? When we read?

Application

Non-Christian: To really get to know God

- If you are not christian
 - We can not talk about knowing God
 - Without offering you the opportunity
 - to really get to know God
- To become his son
 - Today you are his enemy
 - Today you are far from Him
 - You can get to know your Father
- Get to know Him up close
 - Your rebellion and guilt separates you away from Him
 - Be able to get close to Him
 - Through Jesus
 - Through the cross
- Surrender to Jesus and decide to follow Him
 - By repentance and baptism
 - Accepting Him as your Lord and Savior

All: Create a new habit

For the rest of the year

- If you don't read
 - Start reading every day
- If you don't have a plan
 - Start one
 - Youversion
 - Decide what book you will read
- If you read in the morning
 - Start reading at night
- If you do that already
 - Read at a different time during the day

What will be your new habit?
