

Mother's Day 2017 - Study - What do you want? -

We all want something for our children

- What are some things you want for your children life?
- What have you done to give this to your children?
- How do we give idols and values to our children through what we want for them?

Big idea: The most important thing we could wish for our children is for them to know God

- Deuteronomy 4: 9-10
- Deuteronomy 6: 5-9
- Deuteronomy 11:19
 - What do these verses say about what God expects from fathers and mother?
 - What does it say about what we do to bring our children to Him?
- 1 Samuel 1
 - What do we learn from this story about the connection between us, our children and God?
 - What can we learn about her example of how we can bring our children to God?

What do we do when we want our children to know God?

- Proverbs 19:18
 - Proverbs 22: 6 and 15
 - Ephesians 6: 4
 - 2 Timothy 3: 14-17
- What do we do when we want our children to know God?
 - What do we do with them?
 - What does our personal dedication with God has to do with guiding our children to God?

Application: What do you need to do?

- To better guide your children to know God
- Adjust your priorities
 - What you want most for them
 - Make this decision
- Give yourself to Jesus
 - Make your decision to repent and be baptized
- Spend more time with them
- Read the Bible every day with them
- Talk with them about their faith
