

# Colossians 36 — Study

## We mutually guide each other

---

- When do we see problems in others
  - We ignore, gossip, and ask our leaders to fix it
  - What is your tendency

### Big Idea: We mutually guide each other, in the family of God

#### Colossians 3:16

- What should we do when we see a problem in others?
- Why do we have to guide each other?
- Why is it hard to guide one another?

#### Ezekiel 33:1-20

- What does this verse make you think of?
- What is the responsibility that we have when we see our brother in danger?
- Why is it so important to do this?

#### Galatians 6:1-2

- What does this verse say?

#### James 5:19-20

- Why is it such a great privilege to help God rescue a brother?
- Have you ever been used like this?
- Have you ever been rescued or guided?

#### Ephesians 4:15

- What happens when we guide each other?

## **1 Thessalonians 5:14 and Jude 22-23**

- How do we do this?
  - How do we mutually guide each other?
  - What are some of the tactics and/or methods we use to guide one another?

## **Application: Mutually Guide each other**

### **Non-Christian: Accept the Gospel**

- I want to take advantage to teach you and exhort you
  - There is only one thing you need to know
- The Gospel
  - At this moment, are you separated from God?
    - By your rebellion ways against Him
    - By wanting to be your own god
  - You can become a son of God
    - Forgiven
    - Loved
    - Destined for eternal life with Him
  - Everything changes when you make this decision
    - To surrender to Jesus and decide to follow Him
      - To repent and baptize
    - Accepting Him as your Lord and Savior
- I beg you to make this decision

### **Christian: Decide to guide your brothers**

- Is there a specific situation that comes to mind?
  - Do you need to talk to someone?
  - Can you make the decision to do it?
- Can you make the decision that you will always speak up?
  - Every time the Holy Spirit guides you with the opportunity to guide someone?
