Non-Christian: Receive the protection that God offers

- Today you are outside from Jesus
  - Death comes
    - Your physical death
    - And worse, eternal death
      - The final judgment
      - And the wrath of God
- God offers protection
  - The Lamb was killed
    - His blood splattered
  - So that you can escape death
    - From God's wrath
    - From the deserved judgement
- You have to accept Him
  - You have to be in the blood of the Lamb
- You do this by surrendering to Jesus and decide to follow Him
  - By repentance and baptism
    - Accepting Him as your Lord and Savior
- His blood will cover you
  - You will be free and forgiven

Christian: Celebrating continuously

- Live under the blood of the Lamb
  - We are protected from death
  - Free of guilt and shame
  - We are the beloved children of God
- We must live being gratefully
  - Start each prayer and each day
    - With words of gratitude
  - Each day singing a song of praise
    - To the Lamb that was slain
      - So that we could have life
